ESSER III – The American Rescue Plan ESSER III –Plan Americano de Rescate

Available through September 30, 2023/Disponibles hasta el final de Septiembre 30, 2023

“The intent of ESSER III dollars is to address the impact COVID-19 has had on elementary and secondary schools.

El objetivo de los fondos economicos ESSER III es enfocarse en el impacto que COVID-19 ha tenido en las escuelas de educación primaria y secundaria. ,”

LEAs have the flexibility to use the funds on one of 15 allowable activities, beginning with any allowable activity under ESEA, IDEA, the Adult Education and Family Literacy Act, or the Perkins Act and ending with other activities that are necessary to maintain the operation of and continuity of services in the LEA, including continuing to employ existing staff of the LEA to the greatest extent possible. In between are a host of ideas that include focusing on low-income students, purchasing supplies to sanitize buildings, purchasing technology, addressing learning loss and making facility upgrades that reduce the risk of virus transmission and exposure to environmental health hazards. ESSER III requires for the LEA to engage in meaningful consultation with stakeholders and give opportunity for public input around use of funds. This will require outreach to specific groups of stakeholders and the creation of a plan that is presented in an understandable format that will be posted on the website within 30 days of receiving the NOGA.

ESSER III require que los distritos escolares establezcan una comunicación significativa con los grupos de interés y tomar en cuenta la opinión pública acerca del uso de los fondos. Esto requiere hacer un llamado a grupos específicos de interés para crear un plan que sea presentado en un formato sencillo de entender para ser publicado en la página de Internet a los 90 días de haber recibido el NOGA.
