Procedures for Texas Success Initiative Assessment 2.0 (TSIA 2.0) Testing

All students in the Tornillo High School Early College Program, in 9th grade and above, have taken the TSIA 2.0 exam at least twice. For those students who have not yet achieved a "College Ready" status, the following procedures have been established to help the student succeed in the TSIA 2.0 exam:

- **TSIA 2.0 Preparation Class:** All students who need additional support will be scheduled into a dedicated TSIA 2.0 preparation class. This class will provide targeted instruction and resources. Edgenuity lessons are included in this course and students must achieve at least an 80% to retest.

- **Online Resources:** Access to additional study materials and resources is available on the student's corresponding cohort Google Classroom. These resources help reinforce their learning and provide extra practice.
